

# GLOBAL DAIRY PLATFORM

Global Dairy Platform and the Pathways to Dairy Net Zero initiative will be present at the United Nations Framework Convention on Climate Change Conference of the Parties (COP28) in the United Arab Emirates — held from November 30 to December 12, 2023 — highlighting the ways in which dairy is accelerating climate action and sharing game-changing solutions to help worldwide dairy stakeholders further advance positive climate change.

## ACTIVITIES AT COP28

**Harmonizing Climate Efforts & Food Security:** Perspectives from the Americas and Beyond in the SSJW Framework
